Who Should Come?

Jesus used to take His followers apart for special days of prayer and teaching. In the same way, we want this prayer retreat to be a time when Jesus is the center of all our attention.

Our Lord Jesus Christ, is able to help us with our most perplexing problems. He will refresh us, re-focus our vision upon eternal goals, heal us, and give us strength to overcome life's problems and advance with the gospel.

Come if you want to grow in your walk with Christ. Come if you need His touch in your life. Come let us seek the Lord! He will bless us. Now here's your opportunity to come and bring your friends.
